

## Privacy Policy for PocketFSA

- This privacy policy governs your use of the software application PocketFSA for mobile devices that was created by plug2field solution private ltd. The Application is a sales force automation application useful for organisations
- The Application obtains the information you provide when you download the Application. When you download the application and use the Application, you generally provide (a) your name, email address, age, user name, password, (B) information you provide us when you contact us for help; (C) information you enter into our system when using the Application, such as contact information and project management information.
- We may also use the information you provided us to contact you from time to time to provide you with important information, required notices and marketing promotions.
- In addition, the Application may collect certain information automatically, including, but not limited to, the type of mobile device you use, your mobile devices unique device ID, the IP address of your mobile device, your mobile operating system, the type of mobile Internet browsers you use, and information about the way you use the Application.
- When you visit the mobile application, we may use GPS technology (or other similar technology) to determine your current location in order to determine the city you are located within and display a location map with relevant advertisements. If you do not want us to use your location for the purposes set forth above, you should turn off the location services for the mobile application located in your account settings or in your mobile phone settings and/or within the mobile application.
- Yes. We will share your information with third parties only in the ways that are described in this privacy statement.
- We may disclose User provided and Automatically Collected Information:
  - As required by law, such as to comply with a subpoena, or similar legal process;
  - When we believe in good faith that disclosure is necessary to protect our rights, protect your safety or the safety of others, investigate fraud, or respond to a government request;
  - With our trusted services providers who work on our behalf, do not have an independent use of the information we disclose to them, and have agreed to adhere to the rules set forth in this privacy statement.
- If plug2field Solutions pvt ltd is involved in a merger, acquisition, or sale of all or a portion of its assets, you will be notified via email and/or a prominent notice on our Web site of any change in ownership or uses of this information, as well as any choices you may have regarding this information.
- We are concerned about safeguarding the confidentiality of your information. We provide physical, electronic, and procedural safeguards to protect information we process and maintain. For example, we limit access to this information to authorized employees and

contractors who need to know that information in order to operate, develop or improve our Application. Please be aware that, although we endeavour provide reasonable security for information we process and maintain, no security system can prevent all potential security breaches.

- By using the Application, you are consenting to our processing of your information as set forth in this Privacy Policy now and as amended by us. "Processing," means using cookies on a computer/hand held device or using or touching information in any way, including, but not limited to, collecting, storing, deleting, using, combining and disclosing information, all of which activities will take place in the India. If you reside outside the India your information will be transferred, processed and stored there under that countries privacy standard.
